

# How to change FIXICC Agent password

Change password in FIXICC Agent configuration

## **security.properties**

```
[users]
# default admin user
admin = NewAdminPassword, adminRole

# user 'guest' with the 'readOnly' role
# multiple roles are allowed
guest = NewGuestPassword, readOnlyRole
```

Change password for admin session in FIX Antenna C++

## **engine.properties**

```
Monitoring.AdminSession.AdminClient.Password = NewAdminSessionPassword
```
