Welcome page

Authentication

We recommend you using the [Chrome](#) browser for convenient work in the FIXICC H2 application.

To get access to the FIXICC H2 application, you need to navigate to the application's URL.

The welcome page of the FIXICC H2 application is shown in the figure below.

The screenshot shows the welcome page for the FIXICC-H2 application. At the top left is a blue logo consisting of four squares arranged in a cross pattern. To the right of the logo is the text "Welcome to FIXICC-H2!". Below this is a login form with two input fields. The first field contains the text "admin". The second field contains six black dots, representing a password. Below the password field is a checkbox labeled "Remember Me". At the bottom of the form is a blue button with a white checkmark and the text "Submit".

Figure. Welcome page.

By default, you need to enter "admin" into the username field and "admin" into the password field. Confirm enter by clicking the "Submit" button or cancel the operation by closing the application tab.

To remember the authentication's parameters select the "Remember me" option.

Note: Make sure the data's secure before marking the "Remember me" option.

On successful authorization, FIXICC H2 displays the following default Home Page:

FIXICC-H2
